vedrai, carino

You will see, dearest,

if you are good,

what fine medicine

I want to give you.

It's natural.

It's not unpleasant;

and the pharmacist

doesn't know how to make it-

no, he doesn't know how to make it.

It's a certain balm

that I carry with me.

I can give it to you,

if you want to try it.

Would you like to know

where I have it?

Feel it beat;

touch me here.

Il Mio Tesoro Intanto

My treasure, meanwhile,

go to comfort,

and the tears of her beautiful eyes

try to dry.

Tell her that her wrongs

I have gone to avenge,

that messenger of bloodshed and death

I want to return.

Ici-bas (Here Below)

Here below all the lilacs die,

All the songs of the birds are short,

I dream of summers that remain

Forever!

Here below lips touch lightly

Without leaving any of their velvet behind,

I dream of kisses that remain

Forever!

Here below all men weep

Over their friendships or their loves...

I dream of couples who remain

Forever!

Chanson d'Amour (Song of Love)

I love your eyes, I love your forehead,

O my rebellious one, o my fierce one,

I love your eyes, I love your mouth

Where my kisses will exhaust themselves.

I love your voice, I love the strange
Grace of everything you say,
O my rebellious one, o my dear angel,
My hell and my paradise!

I love everything that makes you beautiful,
From your feet to your hair,
O you, toward whom all my wishes rise up,
O my fierce one, my rebellious one!

Adieu (Farewell)

How fast everything dies, the rose
That has opened up,
And the fresh mottled cloaks
Of the meadows;
The long sighs, the beloved women,
Who have vanished in smoke!

In this fickle world we see
The change,
Faster than that of the shore's waves,
Of our dreams!
Faster than that of hoarfrost into flowers,
Of our hearts!

To you one thought oneself faithful,
Cruel woman,
But alas! the longest love affairs
Are short!
And I say upon leaving your charms
Without tears,
Almost at the moment of my avowal,
Farewell!

Pie Jesu

Holy Jesus Lord,
Give them rest,
Eternal rest.

Lamb of God who takes
Away the sins of the world
Grant us Thy peace.

We would like to thank our families for their constant support. Likewise, we want to express our gratitude to Greg Berg for patiently teaching, supporting, and accompanying us over the last four years. Special thanks to Monica Schisler for sharing her talents with us this evening. We would also like to send a special Happy Birthday wish to Nikki's Daddy.
