The Tap Dance class is a course that is part of the Musical Theater Program that has been recently approved by Carthage College. This is the first semester the course has been offered.

During the semester, students have been involved in learning and reflecting technique. The students of the class approached the instructor with the possibility of having a recital. This recital was an optional program for the students of this class.

As chosen by the student's, tonight's performance will be evaluated for each of the student's final grade.

* Routines choreographed by the student
