### Four Horns – One Journey

Four horns: Kelsey Epping, Adya Kusyk, Elizabeth Martin, and Liz Plapp together on one journey. Our travel together over the past three years has been one of friendship, personal struggles, triumphs, and of course, music making.

Although the four of us come from varying backgrounds and are headed in different directions, there are two people that have strengthened us all as individuals and brought us together. We would like to thank Karen Suarez for her unwavering support, guidance, and patience. Karen has taken us each on our own travel towards success. A big thank you and hug goes out to Dr. James Ripley who has shaped our personal and musical lives. His passion for music and dedication to students has touched us all.

And lastly we would like to thank you for being here tonight! Friends, family, we are delighted to share one of our last performances together as a quartet with you. Enjoy the journey!
